The Prefectural Commissioner prays to (الله) that notice of this order be delivered to respondents no later than sixty days after this order is signed. Commissioner further prays that all courts of justice regardless of declared administrative jurisdiction enforce this order, prohibiting Respondents from acts, and ordering Respondents to do the acts set forth in Section III of this order. Commissioner prays for the protection of the American People, the U.S. Madinah Mission (“UMM”), and the global Abrahamic faith community.

We appeal to the Sovereign Judge of the World (الله) for protection and assistance.

The Hejaz Commission (“Commission”) deems it appropriate that cease- and-desist proceedings be, and hereby are, instituted pursuant to respective sections of the Hejaz Legal Code against the government of the United States of America, the State of Texas, and Galveston County (collectively “Respondents”). By making any use of the coding system described below Section II of this order, Respondents have consented to this order.

In anticipation of the institution of these proceedings, Respondents shall have the opportunity to submit an Offer of Settlement (the “Offer”) to the Prefectural Commissioner.

Solely for the purpose of these proceedings and any other proceedings brought by or on behalf of the Commission, or to which the Commission is a party, and without admitting or denying the findings herein, except as to the Commission’s jurisdiction over them and the subject matter of these proceedings, which are hereby admitted, Respondents hereby consent to the entry of this Order Instituting Cease-and-Desist Proceedings attributable to previous or subsequent use of the Hejaz Legal Code Imposing a Cease-and-Desist Order (“Order”), as set forth below.

Hatem T. Al-Ghuti is authorized under Religious Precepts to Issue this Order.

I. BACKGROUND

On December 11, 2019, complainant's spouse xxxxx xx-xxxxxx obtained a mortgage loan from Regions Bank for \$376,900 (the "Note"), secured by a Deed of Trust on the residence located at xxxxx xxxxx xxxxx xx, in xxxxxxx xxxxx, TX xxxxx (the "Property"). The Complaint made against Regions Bank arises from the mortgage schedule associated with Applicants' loan contract signed on 12/5/19, which incorporated algorithms extracted from the Hejaz Legal Code (as defined in Section II of this order). Such Mortgage Contracts are typically repackaged, securitized, and sold as part of a pool of loans, thereby conveying to the mortgage company and/or acquiring entity, certain benefit's or implied right's associated with the extrinsic attributes of the contract or Mortgage schedule (i.e algorithms embedded into the finance schedule)— as part of the transaction.

Regions Bank Mortgage Division has been notified of the unauthorized use of the Hejaz Legal Code. On December 10, 2020, the Vice President at Regions Bank Mortgage Loan department instructed Hatem Al-Ghuti to contact Winn Shannon (mortgage department legal office) in order to resolve aforesaid dispute.

II. DEFINITION

The Hejaz Legal Code, also known as the Uthmanic Codex (the "coding system") is the codification of the general and permanent laws and regulations of Al Hejaz. The code refers to, among other things, characters incorporated in the Islamic Criterion, or any combination of characters including words, numbers, letters, or symbols which may follow an encoding system ("identifiers"). Generally, identifiers label the identity of either a unique object or a unique class of objects, where the "object" or class may be an idea, a physical countable object (or class thereof), and/ or physical non-countable substance (or class thereof). The code also includes characters that may be considered arbitrary.

The term "Work of Art" refers to the process of converting a sequence of characters into a sequence or language that can be used to express information or knowledge or systems in a structure that is defined by a consistent set of rules. The rules are generally used for interpretation of the meaning of components in the structure.

III. ORDER

The Commission deems it appropriate to impose sanctions against respondents until further notice. It is hereby ORDERED that Respondents shall immediately refrain from actions set forth below.

- A. Respondents may NOT Levy and/or collect tax on any contract, or property secured by a contract which use the measurement and/or alphanumeric system(s)/ other “works of art” derived from the coding system Published in the Islamic Criterion.
 - 1. The term “contract” used above also refers to contracts and securities attached to any property, including personal property that is incidental to real property acquired in any exchange. Contract also includes records, vouchers, or moneys.
 - 2. The term “Property” used above refers to anything of value, including products or any output which may directly or indirectly result from a contract stated below Section III (A) of this order.
- B. Respondents shall submit an Offer of Settlement, and will sign and deliver to the commissioner (and cause any Entity to sign and deliver to the commission) any document that is or may be required to perfect the Commissions security interest in the property referenced in this order, belonging to the people of the global Islamic Faith community (see attached notes) including but limited to: (i) agreements previously or subsequently entered into by respondents and all credits, benefits, the sale of credits, credit certificates or similar items; or other associated benefits attached to contracts attributable to the code (as defined in Section II of this order) including royalties, emissions reductions, offsets, and allowances, renewable energy credits, tradable generation rights, pollution/emission credits (collectively “environmental incentives”); and (ii) all proceeds and revenues resulting from the foregoing.
